Homework Report	

Homework Report	
	Math 237 - Dr. Drew Lewis
	Due at the beginning of class each Thursday.
1)	Which standards did we cover in class since the last Homework Report was due?
2)	Which standards did you practice outside of class since the last Homework Report was due?
3)	List the problems you worked on. Circle the ones you worked correctly.
4)	Which standards from earlier in the semester do you plan to review before the next Homework Report is
5)	due? Which of those standards do you plan on reassessing in my office hours next week?
