| | Homework Report |
|----|---|
| | Math 237 - Dr. Drew Lewis |
| | Due at the beginning of the first class period each week. |
| 1) | Which standards did we cover in class since the last Homework Report was due? |
| 2) | Which standards did you practice outside of class since the last Homework Report was due? |
| 3) | List the problems you worked on. If you believe your solution demonstrates mastery (would be marked as \mathbf{M}), circle it. |
| 4) | Which standards from earlier in the semester do you plan to review before the next Homework Report is due? |
| 5) | Which of those standards do you plan on reassessing outside of class before the next Homework Report is due? |
