Homework Report

Homework Report			
Math 237 - Dr. Steven Clontz			
	Due at the beginning of the first class period each week.		
1)	Which standards did we cover in class since the last Homework Report was due?		
2)	Which standards did you practice outside of class since the last Homework Report was due?		
3)	List the problems you worked on. If you believe your solution demonstrates mastery (would be marked as \checkmark), circle it.		
4)	Which standards from earlier in the semester do you plan to review before the next Homework Report is due?		
5)	Which of those standards do you plan on reassessing outside of class before the next Homework Report		
9)	is due?
